Are you looking for a doctor?

It's easy to find one online

The right doctor can have a positive impact on your health and well-being. Choosing one in your plan can save you money as well. The **Find Care** tool helps you locate doctors, dentists, eye care professionals, hospitals, labs, and other health care providers in your plan. If you decide to see a doctor outside your plan, your costs will be higher and your care may not be covered. Therefore, it is a good idea to learn how this convenient tool can help you find care.
