Frequently asked questions

What's my accidental death and dismemberment (AD&D) benefit?

We will pay your beneficiaries an Accidental Death insurance amount that matches your Basic Life insurance amount, if you die from a covered accident. Additional benefits are available for accidental injuries (i.e., dismemberment) such as loss of limbs, fingers or sight.

Can I take my insurance with me if I leave my employer?

If you leave your employer and wish to take your coverage with you, other options may be available to continue your coverage. Contact your Human Resources department to learn more or visit:

What is a beneficiary?

Your beneficiary is the individual(s) you choose to leave your life insurance benefits to when you die. You can name one or more beneficiary(ies) and select if they are primary or secondary beneficiaries. If your primary beneficiary dies before you (or before other beneficiaries), your contingent or secondary beneficiary(ies) will receive your life insurance benefit.

Please note that claim payment to a minor child requires a legal custodian to be appointed. To choose or change your beneficiary(ies), visit the "Forms" section on www.oneamerica.com. Click the "Life" tab, download and complete the beneficiary designation form, and turn it in to your employer. Review your beneficiary information annually to help ensure your information is up-to-date.
